**ANN ARBOR, MICHIGAN** (October 15, 2024) – Oxford Companies, Ann Arbor’s largest commercial real estate organization, now offers HVAC sales and service under the name Oxford Mechanical.

Oxford Property Management President Joe Mifsud said, “For decades, we’ve provided trusted heating and cooling services to our partners and tenants through Oxford Property Management. Now, we’re expanding our operations in the field and our top-notch HVAC team has earned their new designation as Oxford Mechanical.”

The Oxford Mechanical team will provide repairs, maintenance, and installation of heating and cooling units for both commercial and residential clients throughout southeast Michigan. Assessment of organizations’ needs, and planning for optimal system design and equipment selection, are particular interests and areas of expertise for Oxford Mechanical.

Jeff Hauptman, CEO of Oxford Companies, added, “I can’t emphasize enough how talented, conscientious, and caring our Oxford Mechanical team is. These are guys of outstanding integrity and skill. I’m tremendously proud of them and look forward to seeing their expanding success as they move into the future with their new company name.”

Oxford Mechanical can be reached at [oxmech.com](http://oxmech.com) or (734) 719-8010.

## **About Oxford Companies:**

Oxford Companies is a fully-integrated commercial real estate firm serving the greater Ann Arbor area since 1998. Providing spaces that serve and strengthen the local community, Oxford is comprised of over 100 real estate experts united by its core values: constant improvement, respect & accountability, exceeding expectations, and working together.

Oxford’s commercial real estate portfolio is the largest in Ann Arbor. The company leases and manages more than 2.6 million square feet of commercial property, manages housing for more than 1,000 residents, and has built an investment portfolio valued at over half of a billion dollars. Services provided by Oxford include property management and leasing of both residential and commercial buildings, construction, and investments.
