

PO Box 222 Chelsea, MI 48118

Dear Chelsea Area Chamber Member,

Kick Off the Main Street Park Construction Campaign with Us!

We are pleased to announce the launch of the *Main Street Park Construction Campaign!* Your help is needed to raise \$1 million from local individuals and businesses. Together, we can continue the remarkable progress of the Main Street Park Project and kick-off park construction in 2025.

Did You Know?

- **Nearly 3 Acres of Parkland:** Main Street Park will offer active recreational space and native habitat restoration.
- **Community-Driven Design:** Every park amenity has been informed by an 8-month public input process.
- **All-Volunteer Effort:** Main Street Park Alliance operates with zero salaries or compensation—every dollar supports the project.
- **Significant Funding Raised:** Over \$6.4 million has already been secured for environmental remediation and park construction.
- **Major Remediation Completed:** We've safely removed 7,000 tons of contaminated soil (that's 160 double gravel train loads!) from the site.
- **Construction Begins in 2025:** The park is on track to become a reality soon!

Be Part of Chelsea's Legacy

Join the 300+ Chelsea residents and businesses who have already contributed to this transformative project. Your support today will help turn an abandoned industrial site into a vibrant community park for all ages and abilities—a space for recreation, connection, and wellness.

Donate to the Main Street Park Construction Campaign and make an investment in Chelsea's present and future. Together, we can make it happen!
