American 1 Credit Union Announces the Promotion of Angela Hadley to Vice President of Payments

American 1 Credit Union is pleased to announce the recent promotion of Angela Hadley to Vice President of Payments.

Hadley, working with American 1 Credit Union since 2010, most recently held the position of Risk Manager. In her tenure with American 1, she also held the positions of Account Specialist, Member Service Specialist, and Branch Manager, giving her quality member service experience and a strong understanding of the credit union's mission.

In her new role, Hadley is responsible for the oversight of the card services and digital services teams which encompasses online banking, mobile deposits, ATMs, and debit and credit card programs.

"I chose American 1 Credit Union because of the growth opportunities provided to me," stated Hadley. "I've had the ability to learn different parts of the credit union and how it all comes together to continue our mission of creating financial wellness in our communities through personal everyday banking."

Angela officially accepted her position in October of 2024 and reports to Sarah Miller, Chief Financial Officer.

“In the past 14 years, Angela has continued to grow her knowledge and experience by filling various roles at American 1,” Miller said. “Angela’s leadership and experience will be a great addition to the Payments Leadership team.”

Established in 1950, American 1 Credit Union serves over 65,000 members, including more than 270 employees, with 17 branch locations across Jackson, Washtenaw, Hillsdale, Lenawee, Wayne, and Calhoun counties. American 1 is proud to serve the members of its communities by creating financial wellness through personal everyday banking.
