Daily Rain Joins Lotus Gardenscapes Umbrella, Expanding Full-Service Outdoor Offerings Across Southeast Michigan

Dexter, MI — Daily Rain, a trusted leader in irrigation, landscape lighting, and water management solutions, has joined the Lotus Gardenscapes umbrella of companies, which also includes GreenStreet Tree Care, creating a strengthened, full-service outdoor solutions company serving homeowners and businesses across Washtenaw County and the greater Southeast Michigan region.

The partnership brings together two well-respected, locally rooted businesses with a shared commitment to quality craftsmanship, sustainability, and exceptional customer care. By aligning their expertise, resources, and teams, the new Lotus Family of companies will offer a complete range of outdoor services making it a single source for homeowners, covering landscape design, full outdoor rooms and pools, as well as irrigation design and maintenance, landscape lighting, custom deck design and construction, landscape installation, and professional tree care with an exciting new addition to the service this year with Husqvarna Autonomous Mowers!

“This represents a natural next step for our growth and our clients,” said **Jerry Boquette, Founder of Daily Rain**. “We’ve long admired Lotus Gardenscapes’ thoughtful approach to design and environmental stewardship. Being part of this umbrella allows us to better serve our customers with a more comprehensive, seamless outdoor experience while maintaining the high standard of service they expect from Daily Rain.”

Traven Pelletier, Founder of Lotus Gardenscapes, added: “Welcoming Daily Rain into the Lotus umbrella strengthens our ability to deliver whole solutions for all aspects of landscape care while staying true to our mission of creating beautiful, functional, and sustainable landscapes. Our teams share the same values, and we’re excited about what this means for our clients and community.”

Customers can expect the same familiar faces, enhanced service offerings, and a continued commitment to local relationships, innovation, and responsible water and landscape management. Services will continue under their respective brands, with increased collaboration and expanded capabilities rolling out throughout the 2026 season.
