

For Immediate Release

Heydlauff's Appliances Celebrates Mother's Day with In-Store Chef Event and Exclusive Specials

Chelsea, MI — Heydlauff's Appliances invites the community to celebrate Mother's Day with a special in-store event on **Saturday, May 9**, featuring exclusive savings and a live culinary experience in its Living Showroom.

As part of the Mother's Day Sale, from **11 am to 1 pm**, shoppers can enjoy a live cooking demonstration by Chef Emily, who will prepare a selection of brunch-inspired bites using premium Wolf Appliances. The menu includes Niçoise Salad Cups, Smoked Salmon Frittata with Goat Cheese and Olives, and a Lemon Curd Dutch Baby, offering

customers a chance to experience the performance and precision of Wolf appliances firsthand.

Chef Emily is known for creating approachable dishes that highlight fresh ingredients and thoughtful preparation. Her demonstrations bring the showroom to life, giving customers both inspiration and practical ideas for entertaining at home.

This event is part of Heydlauff's ongoing commitment to providing an interactive shopping experience, where customers can see, taste, and explore appliances in action. Shoppers can take advantage of Mother's Day specials designed to

help create the perfect kitchen for gathering and celebrating.

For more information, visit Heydlauff's Appliances in downtown Chelsea or stop in on May 9 to experience the showroom in action.

###

Since 1928, Heydlauff's Appliances has been committed to delivering outstanding customer service, professional delivery, and appliance repair, service, and installation. Their retail store is located on Main Street in historic downtown Chelsea, while their 12,000-square-foot warehouse is situated in Chelsea's Industrial Park, less than a mile from their downtown showroom. Heydlauff's certified service technicians specialize in appliance repair. For further information, contact sales@heydlauffs.com or visit their website at www.heydlauffs.com.
