Timber Creek Foundation Invites Local Businesses to Sponsor Upcoming Mental Health Appreciation Banquet

CHELSEA, MI — Timber Creek Foundation is offering Chelsea-area businesses and local leaders an opportunity to sponsor the upcoming Mental Health Appreciation Banquet, taking place Friday, October 16, 2026, at The Chelsea Depot.

The evening is dedicated to honoring local outpatient mental health professionals while raising vital funds for **The Matthew Morgan Scholarship Fund**, which provides free and reduced-rate counseling to community members facing financial barriers to care.

Sponsorship packages directly support the scholarship fund and include complimentary seats for sponsors to attend the exclusive event. Held in loving commemoration of Matthew Morgan's birthday, the evening features heavy appetizers, networking with mental health leaders, and the live presentation of the 2026 Therapist of the Year award.

"Outpatient therapists do vital, transformative work every single day, often away from the spotlight," said Dr. Andrew Cuthbert of Timber Creek Foundation. "By partnering with local sponsors, we can pour back into the clinicians who care for our community while ensuring cost is never a barrier for individuals needing clinical care."
