Chelsea Area Fire Authority Welcomes New Board Member Adam Ferrell

CHELSEA, MI - The Chelsea Area Fire Authority (CAFA) is pleased to welcome Sylvan Township resident **Adam Ferrell** to its Board, where he will serve in the At-Large position.

A community member and longtime fire service professional, Ferrell brings more than two decades of experience in fire and emergency medical services. His appointment combines professional expertise with a personal connection to the communities CAFA serves.

Ferrell began his career in 2004 working in private EMS as an EMT before entering the fire service as an auxiliary firefighter with the City of Inkster. He later served as a full-time firefighter and paramedic with the Inkster Fire Department before joining the City of Dearborn Fire Department in 2008.

Today, Ferrell serves as a Captain and Paramedic with the Dearborn Fire Department, continuing a career centered on public safety, service, and helping others.

"We're very fortunate to welcome Adam to the CAFA Board," said **George Merkel, Chair of the Chelsea Area Fire Authority Board**. "His extensive experience in both fire suppression and emergency medical services will bring valuable perspective to the Board. Just as importantly, as a Sylvan Township resident, Adam understands the community we serve and shares our commitment to keeping it safe and strong."

CAFA provides fire protection and emergency services with a strong commitment to responsiveness, professionalism, and community service. Ferrell's appointment continues that tradition by bringing another experienced public safety voice to the Authority's leadership.
